NATIONAL YANG MING CHIAO TUNG UNIVERSITY

## Faculty Position in the Institute of Microbiology and Immunology, National Yang Ming Chiao Tung University (NYCU), Taiwan

The Institute of Microbiology and Immunology (IMI) at NYCU invites applications for **tenure-track faculty** positions (assistant Professor or above).

NYCU is one of Taiwan's premier research universities, recognized for its biomedical research and education excellence. Founded in 1977, IMI has a strong tradition of advancing cutting-edge research and fostering next-generation researchers. IMI's research directions emphasize microbe-host interactions with interdisciplinary approaches. We welcome applicants committed to research excellence, innovative teaching, and interdisciplinary collaboration.

### Qualifications

- Ph.D., postdoctoral research, or industry experience in microbiology, immunology, or related fields
- Strong record of research accomplishments and commitment to high-quality teaching and mentoring
- Ability to teach in English

### Application Package should include:

1. Cover Letter
2. Curriculum Vitae (including academic and professional experience, list of publications, and research highlights)
3. Research Statement (including a five-year research plan)
4. Teaching Statement (including proposed courses and syllabuses)
5. Copies of diploma and relevant supporting documents
6. Three Letters of Recommendation (to be sent directly by referees)

### To apply, please send all required materials electronically to:

Prof. Chia-Lin Hsu, Chair: [clhsu@nycu.edu.tw](mailto:clhsu@nycu.edu.tw)

Ms. Hsin-Fang Fan, Secretary: [hffan@nycu.edu.tw](mailto:hffan@nycu.edu.tw)

Review of applications will begin immediately and continue until the positions are filled. Selected candidates will be invited for an onsite interview.
