

KAI International Meeting 2021 *Hybrid*

June 2 (Wed) – 4 (Fri), 2021 Seoul, Korea

Letter of Invitation and Proposal – KAI 2021 Scholarship and Cross promotion

March 17, 2021

To Society for Immunology Located in Taipei

On behalf of The Korean Association of Immunologists(KAI), it gives us a great pleasure to suggest a great opportunity to form a special scientific network between The Korean Association of Immunologists (KAI) and Society for Immunology Located in Taipei.

We will hold the KAI International Meeting 2021 in a new form “Hybrid”. Some members will be on-site face-to-face and others will meet virtually. Following last year's virtual meeting, we are pleased that this year's meeting will be held face-to-face albeit to a limited scale. We are also excited to have a chance to communicate with many outstanding scholars.

This email is to request your kind cooperation in promoting **the KAI International Meeting 2021 Hybrid** (KAI 2021 Hybrid). In return, we would promote your conference for 2021, if you are interested in mutual promotion.

1. Below is the overview for the meeting:

KAI 2021 Hybrid Overview

- Title: **KAI International Meeting 2021 Hybrid**
- Date: **June 2(Wed.) - 4(Fri.), 2021**
- Venue: **Swiss Grand Hotel, Seoul, Korea (and Virtual)**
- Hosted by: **The Korean Association of Immunologists**
- Official Language: English
- Official Website: www.kai2021.org

We truly believe that if we exchange promotional activities, it will be more effective to inform participants, reach wider audience and elicit more successful results for each other.

Thus, we would like to suggest:

- 1) promoting each other's conference and its details on homepage/website
- 2) promoting each other's conference in newsletters.

2. KAI 2021 Scholarship

The Korean Association of Immunologists would like to invite investigator(s) representing your organization to the KAI 2021 Hybrid as “**KAI 2021 Scholarship**” recipient(s). The scholarship will cover free registration for the online conference.

If you recommend **5 to 10** delegates (maximum **10** persons), they will be officially invited to KAI 2021 Hybrid and can participate without cost.

If the number of willing participants exceed the maximum no. of recommendations, please inform the Secretariat.

3. Virtual Travel Award

The Korean Association of Immunologists is also presenting ‘Virtual Travel Awards’ for overseas participants. The Award will be in the form of free registration for the event and will be presented to the main presenter of the accepted abstracts. (Abstract Submission : <http://kai2021.org/>)

KAI International Meeting 2021 *Hybrid*

June 2 (Wed) – 4 (Fri), 2021 Seoul, Korea

Lastly, please feel free to share your suggestions or special requests with us. We will try our best to meet your needs.

It would be appreciated if you give us confirmation of receipt. If you decide to accept our proposal, please send **RSVP** until **March 28th (Sun), 2021** and we will send you our promotion materials (web banner, newsletter etc.).

We sincerely believe that the proposed network could benefit both societies.
Looking forward to hearing from you soon.

Best regards,

Kyungho Choi, M.D, Ph.D.
*Chair of the Scientific Committee,
The Korean Association of Immunologists*

Jeehee Youn, Ph.D.
*President,
The Korean Association of Immunologists*
